OFFICE REFURBISHMENT & FIT OUT

Case study: UCM Global, Ipswich

Scope: Design to installation of new open plan office

UCM Global were moving to new office space in Ipswich and Source One were appointed to create a modern, stylish call centre style office space with meeting rooms and breakout areas.

Starting with a blank canvas, Source One worked with UCM Global on all aspects of the office design and space planning to create a comfortable, efficient and productive workspace for employees.

The office fit out included a range of office furniture and storage solutions including desk benching, screens, operator chairs and other seating and meeting booths/cubicles.
